Dentistry. Bridge Work.

Mas. Lyle has recently returned from the East, where she has been visiting the Woman's Exchanges, preparatory to opening one in this city as soon as suitable rooms can be secured. Busy hands are already at work, and enough has been pledged to insure a good opening.

The Manufacturers' Natural Gas con The Manufacturers' Astural Gas com-pany is creeting a three inch escape pipe near the Hinge factory. It will stand sixty feet high and is designed to carry off the gas in case the Crescent mill or some of the other concerns on its line should not want to take gas for the time being.

WILLIAM WELCH, a pipe-liner, was yester-day mourning the less of \$23. ; He was in a tough salcon on Market street, according to his recollection, and thinks that he was drugged. He hait two tens pinned inside his shirt collar, and the balance in change in his pocket. He woke up in a coal house, can level himself without a cont. nd himself without a cent. The August term of the Municipal Court commenced last Monday. There was no business before the court when it was no business below the was had until Wednesday, when another adjournment was had until to day. The Court has been waiting to confirm a sale which if not reported to the court to-day will probably result in the term being finally adjourned.

adjourned.

LEGNARD EWARTZ, an erratic South Sider, became so obstreperous yesterday that Officer West found it necessary to lock him up. Leonard is the man who some time since went off to Steubenville with the horse and wagon that belongs to either him or his wife, that being a distinct of the steuper of

puted question over which they have longht repeatedly. Yesterday Loonard laws dronker than usual and undertook to remove everything from the house.

Beaver College and Musical Institute,

Heaver College and Musical, Institute, which is located at Beaver, Pa., about three hours ride above us, on the river, enters upon its thirty-second year September 14. It has been twenty-seven years under the direction of Dr. Taylor, who has proved himself a most efficient educator of young ladies. The health record is unsurpassed, no death ever having occurred in the College. Its faculty is able, its location delightiqu, buildings and equipments of the highest order. Its rates are low, its buildings having been erected by subscription. \$190 board and tuition, or \$205 including music. Send for circular to Dr. R. T. Taylor, Beaver, Pa.

Talk of the town: Our flexible sole, kid button, equal to \$3.00 shoe, at \$1.90, at the Big Shoe Store, Twelfth street,

At 3 r. M. Rev. Mr. Medley, Presiding Elder of the Parkersburg District of the M. E. Church South, preached a fine sermon. Mr. Medley is slightly on the Jones style, eccentric, says a great deal in parentheses, frequently makes happy hits in surcasm and frony. His sermon was listened to with close attention.

In the evening Sam Jones preached again, announcing as his subject, "The Prodigal Son."

He took occasion during his discourse

He took occasion during his discourse

Prodigat Son."

He took occasion during his discourse to hit the German population for their beer drinking proclivities, saying. The old Dutchman, if you would punch him in the paunch, three gallons would run right out. When we were over here Mr. Price said, beer was fine on the German atomach, but always fatal to the human stomach, but always fatal to the human stomach, but always fatal to the human stomach, Nine-tenths of the barkespers die drunkards. What a man feeds his fellow men, the devil makes him eat out of the same spoon. If a young man gambies and wins money to-night, the devil makes some other man sit up the next night and win it back gain." He slao touched upon the political parties again, thanking God he was neither a Republican nor a Democrat, declaring the whisky declaring the old bloody shirt issue to be the main question of the day," declaring the old bloody shirt issue to be dead. "It is played out; it is played out. I can muster as many soldiers in Georgia to-day to defend the stars and stripes as you can moster in any State in this Union." Speaking of the Prodigal Son as a Jaw sent to feed hogs—an occupation most distasteful to a Jew, he declared himself as about nine-tenths a Jew and as one who had little use for a hog dead or alive—four-legged or two-legged.

J. N. LITTLE has opened to the public his Baltimore & Ohio Restaurant and Confectionery, No, 17 Sixteenth street. First-class meals will be served at all hours at reasonable prices. Also board by the week, day or meal, can be secured. Mr. Little uses Ohio Valley Coffee which he claims exceeds all others in flavor, cleanness and The failure of Mr. Small to be present at the Moundsville camp meeting as agreed upon, grew out of a misunderstanding of the meaning of telegrams that passed between Rev. Sam Jones and Rev. George E. Hite. The Board of Managers fully acknowledged and the second of the exceeds all others in flavor, cleanness and strength.

Six:—We believe that Mr. Sweeney is quite right in his manifest conclusion that public sentiment has not approved of his which is saying a great deal, occurred on

The Mannisterior of Sia Company is testing its pipe on Trentywistch street.

Have Resons, whichman on the Manisteriors' gas line, cut his left hand bally left right with whiting a stick to have a street of the control of the contro

the subject without further information. We are also compelled to notice Mr. George B. Oaidwell's card of the 19th, in reference to his statement that a Committee of Council reported in favor of a pressure of 15 psunds. Such is not the cass; the Committee reported blank pounds. And we are informed by one of its members that several if not the msjority of the cappiller (see counties the Volunteer). And we are informed by one of its members that several if not the mispirity of the committee (not counting the volunteer member, Mr. Sweeney) layored 25 pounds. This gentleman's excuse of a "the taummers night" is evidently an after thought, for he stated just before Council was called to order that he intended to prevent our appearance before Council by moving the previous question, and a day later that not one of us should be heard by Council if he could prevent it. If this is not opposition to a fair presentation of the interests of manufactories as far as we represent them, we do not understand what it is. Mr. Sweeney is a director of the West Virginia Gas Company and Mr. Caldwell & Caldwell, the junior member of which is solicitor of the same gas company and member of the First Branch of Council. How these gentlemen can oppose the interests of the Manufacturers' Company as Councilmen and not in the capacity above indicated we fail to perceive; we also think that their disinterestedness in mat-The new Ball Association.

A meeting of the Wheeling Base Ball Association was held at the Howell house last night and a temporary organization was effected. Mr. Alex. Alitchell was selected as chairman and Mr. W. T. English as scerekary. Committees on soliciting subscriptions, on incorporation and on conference with the Wheeling 'Oyders were amplified and the meeting was then were appointed and the meeting was then adjourned subject to the call of the chairman. The purpose in meeting with the bioyelists is to bring about some arrangement whereby the old fair grounds can be secured and used for base ball and 'cycling.

and factories of wheeling to go on withoutstoppage during the coming fail and
winter. The only pipe obtainable for the
gas lines is smaller than we wish could
have been laid, and we are naturally fearful of a short supply, which will inevitably
bring disaster to factories and workman
We have no wish for a dangerous pressureand would oppose such as a transpously as

we have no was for a sangerous pressure and would oppose such as strenuously as any citizen of Wheeling could do. What we want is only that which has been proven in other cities safe and necessary.

To Kaneas points, excursionists can go via Chicago and return via St. Louis and Cincinnsti, or can go via St. Louis and return via Chicago, with stop-

GOING FOR CHURCHILL

With of the Irish People.

London, August 20—Sir J. F-rguson,
Under Secretary for Foreign Affairs, replying in the House of Commons this
evening to E. Lourley, Gladstonian member
for Sunderland, stated that negotiations for
the amicable settlement of the Northwest
Atlantic fisheries disputes were proceeding between England, the United
States and Oanada. It was not intended
by either the United States or England,
added the Under Secretary, to appoint a
joint commission to amend the treaty of
1818.

1818.

Thomas Power O'Connor maintained that Lord Raudolph Churchill's speeches were the original cause of the Belfast riots. (Cheers) Every man who had lost his life in the riots was the dupe and yieldn of Churchill.

Ontinuing, Mr. O'Connor said that a commission quight to be appointed by

kicked on the head by a horse and killed.

The heavy storm of this week damsged the Grafton & Greenbrier road considerably and made it impossible to transact any freight business for two or three days.

W. J. Robinson, C. L. Williams and J. D. McCoy, officers of the Ohio River road, have been at work in Tyler county endeavoring to get stock taken for the purpose of building a telephone line from Sistersville via Pureley and Swan's Mills to Middlebourne.

Mrs. Stephen Talley, of Martinsburg, has eloped with a Bakimore & Ohio engineer, leaving a husband and a family of small children. She left a note for her husband instructing him to send the children to her mother. The pair are

gineer, leaving a mesoam and a second period of the distinct of the mother. The pair are supposed to have gone to Baltimore,
On the 24th inst. Judge John J. Jackson, of the United States Court, will be at Charleston, where he will hear a motion in the case of the Kanawha Valley Bank vs. the Wyoming Coal Company, to continue asked of the latter's property. He will then go to Chicago to visit his son, Ho will remain West until September of first, when he comes here to hold court.

The Wood county Republicans meet in the ordinary law was inanequate to suppress by youting. How, then, did the Government propose to suppress the Government propose to suppress by youting. How will and harmony with the government. The Irish National sentiment must be gratified. Ireland must be treatfield. Ireland must be treatfield like Canada. The people knew what they wanted. He accused Lord Randolph Churchill of incling landolph Churchill of inc

ienuity. Recording Secretary, Dr. H. J. Gamble, Historian, F. H. Orago. Treasurer, S. G. Rogers. Many of the good things of this life are sorrowfully let alone on account of dys-popsia. Acker's Dyspepsia Tablets will cure dyspepsia, indigestion and constipa-tion; sold on a positive guarantee at 25 and 50 cents, by Logan & Co., and Charles

Menkemeiter.

A Watking Skelston.

Mr. E. Springer, of Mechanicsburg, Pa., writes: "I was afflicted with lung fever and abscess on lungs, and reduced to a walking skelston. Got a free trial bottle of Dr. King's New Discovery for Consumption, which did me so much good that I bought a dollar bottle. After using three bottles, found myself once more a man, completely restored to health, with a hearty appetite, and a gain in flesh of 48 lbs." Oall at Logan & Oo's drug store and get a free trial bottle of this certain cure for all Lung Discases. Large bottles \$100.

and two feet stroke. She is to be com-pleted, with steam up, its sixty days. Commodore Gibson will give her his old favorite name, that of "Lancaster," it being the fifth boat of that name that he has owned in the same trade.

Reply of C.W. Brockunier and N. E. Whitake to Mossrs. Sweeney and Caldwell. To the Editor of the Intelligencer.

us heard," he means of course, not before Council, but after adjournment, without understanding that, after the treatment we had received, such a proposition could only appear to us in the light of a gross insult and unmanly crowing over his parties nyletory. His remarks on pressure are a rehash of his recent speech made as a volunteer member of the committee which visited Pittsburgh, when he used his position with such manifest undistinces that members pited him with questions and finally adjourned without action because they were unwilling to vote on the subject without further information.

We are also compaled to a problem of a rest, when he comes here to hold court. The Wood country Republicans meet in convention at Parkersburg to-day and the convention at Parkersburg to-day and the kingdom. Such language was the greatest con. The Republicans in Wood will have a nice, quiet, peaceable time. The Kanawha Democrats will meet a row over that they are sure to have trouble in selecting candidates for the House of Delegates. But the great row of to-day will be in Ritchie country, where the Gibson Democrats will meet in conference to denonned the high-handed proceedings of the Jackston and finally adjourned without action because they were unwilling to vote on the subject without further information.

We are also compaled to problem of the comes here to hold court, or the whole armed forces of the whole armed for the following meet in Contact will have a nice, quiet, peaceable time. The Kanawha proposition and the subject without action of the following meet in Contact will have a nice, quiet, peaceable time. The Kanawha proposition with a subject without action of the whole armed f

indicated we fail to perceive; we also think that their disinteresteduess in mat-

think that their disinterestedness in mat-ters directly concerning them must be a thing of such nice mental and moral ad-justment as to puzzle the largest exercise of their powers.

It must be plainly evident to the citizens of Wheeling that the only object we had in addressing Council was the obtaining of such action as would enable the mills and factories of Wheeling to go on with-out atomase during the coming fall and
